Riding through the desert landscape  
Strolling through enchanted fields  
Passing friends, enemies and ghosts  
and the deceased

Until reaching the final gate – the long awaited goal

For which generations have been travelling

I – I – I ...  
I'm the gatekeeper

I'll check if you can pass

Taking a long run to pass this one exam  
which means the entry to the world  
which paves the way for everything else

Haggling over contracts – to finally become a board member

In a hostile world – fighting for the goal

I – I – I ...  
I'm the gatekeeper

Getting to the last hurdle – where the gatekeeper stands  
No matter how you acted – no matter if you want
