### main 1

music &amp; lyrics: andy enroe

She got that piece of ice-cream on her cheeks,  
And she gently put the tin into the car

She was buying all those things  
For her children and her man

### chorus

Jennifer's got the ice-cream on her cheek  
Jennifer once wanted to become an actress

She was told to keep herself  
She always stayed reserved

### main 2

She was struck by a feeling of hurt  
When she saw the announcement on the wall

The local theatre will perform again  
But when will she ever perform?

### chorus

Jennifer's got the ice-cream on her cheek  
Jennifer once wanted to become an actress

Jennifer's not forgotten, Jennifer's not forgotten  
Jennifer once wanted to become an actress

### interlude

Jennifer got excited when she thought about her dreams  
Jennifer's not forgotten what she once had in mind

## chorus

Jennifer's got the ice-cream on her cheek  
Jennifer once wanted to become an actress

She was told to keep herself  
She always stayed reserved

Jennifer's not forgotten, Jennifer's not forgotten  
Jennifer's not forgotten, Jennifer's not forgotten

Jennifer's got the ice-cream on her cheek  
Jennifer once wanted to become an actress

Jennifer's got the ice-cream
