lyrics

1

start: toccata part 1

music & lyrics:
j.s.bach & andy enroe

main 1

This is the area where I can put my feet
This is the land I'm secretly dreaming of
This is the place where I can be
This is the place where I can live

chorus

And here we are – in Utopia City
In a far away future – in a sphere of dreams

And here we are – never stop to ponder
About a better world – about ourselves

Walking on the streets of Utopia City
... of Utopia City
... of Utopia City

toccata part 2

In Utopia – Utopia City

toccata fast interlude

main 2

Money has been abolished
Poverty is a term of the past
Nobody carries weapons or guns
Nobody is remote controlled

chorus

And here we are – in Utopia City
In a far away future – in a sphere of dreams

And here we are – never stop to ponder
About a better world – about ourselves

Walking on the streets of Utopia City
... of Utopia City

violin interlude 1

Walking on the streets of Utopia City
Walking on the streets of Utopia City

toccatà part 3

In Utopia – Utopia City

And here we are – in Utopia City
In a far away future – in a sphere of dreams

And here we are – never stop to ponder
About a better world – about ourselves

Walking on the streets of Utopia City
