

h^history in a Water-glass

parts & lyrics

main 1

We step out – into the light
It needs eight minutes ¹ – to touch our skin

We think we have – so much time
But we've only got – a fragment of a second

pre-ch

This is a mysterious world
This is a weird enterprise

chorus

There's no writing on the label
There's no traffic sign around
There's our history – in a water-glass – in a water glass

main 2

We're here – on the third planet ²
Only for a – limited time

We're in the bounds – of evolutionary ways

pre-ch

This is a mysterious world
This is a weird enterprise

chorus

There's no writing on the label
There's no traffic sign around
There's our history – in a water-glass – in a water glass

interlude

choir + cello

chorus

There's no writing on the label
There's no traffic sign around
There's our history – in a water-glass – in a water glass

solo

e-guitar

outro

e-guitar, choir + cello

some remarks

1:

The light needs a little more than 8 minutes from the sun to our earth.

2:

Our planet earth is the third planet in the solar system.
