

# In all corners

parts & lyrics

## latin choral

rodia mosi sui  
niverdisia amo liber nisi versi

### main 1

This is the night –  
growing darker and darker

### chorus

And hey-ey-ey

Here we are – in the night of resurrection  
In all corners of the dark

## latin choral

rodia mosi sui  
niverdisia amo liber nisi versi

### main 2

This is the cry –  
growing deeper and deeper

### chorus

And hey-ey-ey

Here we are – in the night of resurrection  
In all corners of the dark

## break

See the unseen and the hidden – in the park  
The masks and grimaces

## chorus

Here we are – in the night of resurrection  
In all corners of the dark

## interlude

And the always repressed and denied  
**now rejoice**

Because this is the time of truth  
when time stands still

## chorus

Hey-ey-ey  
Here we are – in the night of resurrection  
In all corners of the dark

Heey

Here we are – in all corners  
In the night of resurrection

## outro

In all corners
